Dear Parents and Carers

Re: Revision Residential Trip to Danbury Outdoor Centre

As the final examinations are fast approaching, we would like to offer students the best possible chance of success at their final GCSE examinations. Subsequently, the school will be running, in association with Essex Outdoors, a one-night, two-day revision residential trip to Danbury Outdoor Centre.

The trip will run from Thursday 16 April until Friday 17 April. During this time students will undertake a total of fifteen hours learning in either English, maths or science depending on their specific areas for development based on their recent PPE results. The price below includes accommodation, food, four activities at the centre (possibly including rock climbing, quad biking, BMX etc.) and tutoring expenses.

Students will need to make their own way to and from the centre, however, we could arrange transport on individual requests. The price for the residential trip is £160. This is a fantastic opportunity for your son or daughter to undertake an intensive two-day period of study to ensure they achieve the best they can and we strongly recommend that if possible they attend.

If your child is interested in participating in this trip, please fill in the attached consent form with full medical information and any dietary requirements and return to the finance office by Friday 14 February. If your son or daughter is successful in gaining a place, you will be advised of the payment schedule in due course.

Yours sincerely

Mr S Smith
Director of Key Stage 4
