Dear Parents and Carers

Re: KS3 Art and Design

I am writing regarding the Art and Design curriculum that your son or daughter is currently undertaking.

In order to support your child's continuous learning during a period of absence/school closure, please find attached a range of drawing tasks that students can undertake to ensure they continue to enhance their drawing and observational skills at home. As the projects we cover in class require more specialist resources, we have ensured that these tasks only require objects/materials that should be accessible to all students.

There are also additional art PowerPoints for students on the school i: drive in the appropriate year group folders.

If you wish to discuss this matter further, please do not hesitate to contact me during school hours.

Thank you for your continued support.

Yours sincerely

Miss S Corless
Head of Art
