

11 March 2020

Dear Parents and Carers

I am writing to invite you to the year 9 Parent Teacher Consultation Evening on Thursday 26 March 2020 from 4.00pm to 7.00pm in the south hall and nearby classrooms. On arrival please sign in at the signing-in desk. Additional parking will be available on the tennis courts, but due to parking constraints on the school site it would be helpful if those who live close to the school could make arrangements to walk.

Parents will be able to book their appointments online through the Insight system from Monday 16 March 2020 at 2.00pm, which is where you view your son or daughter's report and attendance. Full details, with screen shots of how to use this system and book the appointments, are attached as a guide. The online booking system can be used with three different web browsers: Mozilla Firefox, Internet Explorer and Google Chrome.

If you have forgotten your username/access details or are having problems accessing the site, please email the IT department directly at: itsupport@st-martins.essex.sch.uk.

Please may I take this opportunity to remind both parents and students that where a student has two members of staff for one subject, the teachers will advise students which member of staff to see as it will not be possible to see both.

This Parent Teacher Consultation Evening is primarily aimed at progress to date and targets for future improvement and is intended for parents and students to attend together. Students are expected to wear full school uniform and help their parents to find the various meeting rooms; students will also hear exactly what the teacher is saying to their parents which will avoid any misunderstandings. It is clearly a vital time and the impact of this evening could benefit your son or daughter substantially.

We look forward to seeing you on Thursday 26 March.

Yours sincerely

Mr G Welton
Head of Year 9
