Dear Parent and Carers

I am writing regarding the fine art exam unit that your child is currently completing. This project equates to 40% of their overall grade.

Attached is an overview of the exam structure we have created to help our students reach their potential and keep up with their work independently should they need to. The overview breaks down every piece of work they need to complete based on their project theme. All year 13 students know our expectations for the work they need to produce moving forward. Students can also borrow equipment such as paints, paper brushes, pencils etc should they need to.

If you wish to discuss this matter further, please do not hesitate to contact me during school hours.

Thank you for your continued support.

Yours faithfully
