

Signing up to Start Profile

1. Go to www.startprofile.com. Click on **Register**.
2. Fill in your details. Your First and Surname **must start with a capital letter**.
3. Use your school email address (username@st-martins.essex.sch.uk) – so if your school username is 1234, it would be 1234@st-martins.essex.sch.uk
4. Postcode: CM13 2HG
5. Your username should be easy to remember. Do FirstnameLastname (i.e. JoeBloggs). Add an easy number at the end to help if it's already taken.
6. In a safe place, make a note of your username and password. This could be done on your phone's notes app.
7. When you are asked to, log in using your new username and password. You will be presented with several options. Choose the first option (I am studying...)
8. When you search for your school, it is easier to type in **Brentwood** and then select our school. Put in your year group.
9. The registration code you need is: 16126
