

30 April 2020

Dear Parents and Carers

***Re: Zimbardo Psychology Conference, Emmanuel Centre, London on 23 March 2020***

I have been in contact with the organisers of the conference who have informed me that they are able to provide a partial refund for the cancelled trip.

This decision has been justified by the organisers as they are making the resources for the conference available for students to access online. I will be able to send out the information regarding access to these resources whenever they become available.

A partial refund of £13.16 will be made to your ParentPay account. This can be used for any future trips/lunches or you can apply for a full refund.

If you have any further queries, please do not hesitate to contact me at the school on [alynagh@st-martins.essex.sch.uk](mailto:alynagh@st-martins.essex.sch.uk)

Yours sincerely

Mr A Lynagh  
***Teacher of Psychology***
