Dear Parents and Carers

Re: Update to school calendar 2020/2021

I hope you are all keeping safe and well.

I know the next academic year seems a long way off and planning for any future events seems difficult in our current situation, however, I wanted to give you as much notice as possible to update you regarding two changes to next year's school calendar.

Firstly, Friday 23 October 2020 will be a whole staff inset day and the school will not be open to students. To ensure students' education is not diminished in any way, the last day of summer term will now be Thursday 15 July 2021.

I hope the school is soon fully reopened and back to normal and we can look forward to an exciting new academic year. I will of course keep you informed of any further information.

Thank you for your continued support of the school and all the hard work with home schooling in this challenging time.

Take care and stay safe.

Yours sincerely
