Dear Parents and Carers

Re: Year 9 Progress Reports

Please be advised your son or daughter's report is now available to view on the St Martin's website. Select Insight reports from the main menu, which will then take you to the Insight login where you can view the report.

This is the final report you will receive this academic year detailing your son or daughter's progress. The report will provide you with an Attitude to Learning and Working at Grade for each subject.

Progress is measured against a student's GCSE targets on the new 9-1 grades. So we can better monitor progress, you may see grades on this report followed by a + or – sign. If a student is working at the lower end of Grade 2, for example, they will be awarded a 2-; if they are a secure Grade 2, they will be awarded a 2=; if they are working at the higher end of Grade 2, they will be awarded a 2+.

If you have any queries regarding your son or daughter's progress, please contact his or her Head of Year, either directly or via the Year Administrator.
