Dear Parents and Carers

Re: GCE A-level Results

Further to the recent statement from Ofqual, Centre Assessed Grades (CAGs) issued by the school will now replace any grades that had been moderated downwards by Ofqual's algorithm. The grades will be updated overnight and available to view on Insight under students' logins from Thursday 20 August at 8.00am.

Students will be unable to appeal grades this summer. If your child would like an opportunity to sit any of their GCEs, an Autumn Series 2020 will take place and the form is available on our website under Exams /Forms

If you require any further information, please see the Exams section on the school website, alternatively you can contact the following staff below who will be available via email.
