

2 October 2020

Dear Parents and Carers

Mandarin Taster lessons: Enrichment Programme

I am writing to inform you of an exciting opportunity that is starting on Thursday 5 November 2020. As part of our enrichment programme in languages, we are again organising language taster classes in Mandarin, which will run until the end of the summer term.

All sessions are free of charge and will be led by a Mandarin teacher from China, accompanied by members of the language department. The only condition we stipulate is that students attend the sessions. The lessons will be mainly language based but will also offer the opportunity to experience Chinese Origami, Chinese traditional songs, Chinese crafts and will give students the opportunity to learn about the culture of China.

There are limited spaces available and I sincerely hope that your son or daughter will be able to commit to this exciting learning opportunity. If we have more students who wish to take part than we have places available, we will select the students randomly but will then aim to offer the same chance to study Mandarin again later on in the year for those students who did not get a place this half term.

If you would like your child to take part then please complete the form below and return it to me by Thursday 15 October 2020.

If you require any more information or have any questions, please do not hesitate to contact me by email on imercer@st-martins.essex.sch.uk

Yours sincerely

Mrs I Mercer
Teacher of Modern Foreign Languages
