Dear Parents and Carers

Re: COVID-19 and Keeping Us All Safe

You will be aware that as a school we have now had a number of students that have tested positive for COVID-19. Whilst we are doing everything we can in school to reduce the risk of transmission, we have become aware of a number of students that have been socialising outside of school and not adhering to tier 2 or lockdown rules.

I would therefore like to ask you to remind your sons and daughters of safe practice as well as the knock-on effect this can have on spreading the virus. The other thing that needs to be seriously considered, is the self-isolation of other students and staff and the impact this has on learning as well as the obvious health risks.

Thank you for your understanding and I do know that the vast majority of our families are adhering to the rules but felt that a message to everybody at this time would be prudent.

Yours sincerely

Ian Smyrk
Headteacher
