Dear Parents and Carers

Re: Cancellation of Extra-curricular Activities

Due to the second national lockdown, which came into force yesterday, it is with regret I have to inform you that all extra-curricular activities will be cancelled until further notice. As you know, schools have to adhere to strict DfE guidelines and restrictions.

However, I can inform you that we are able to continue to run subject specific revision sessions for Year 11 and Year 13. We are also able to continue to run the homework club, as this falls into the area of wrap around care that can remain in place for obvious reasons.

We strongly advise, that when school finishes, students go straight home in order to guard against further community transmission of this virus.

As soon as these restrictions and guidelines are lifted we will let you know, which will hopefully be in early December.

I hope you and your families keep safe at this difficult time.

Yours sincerely
