

PowerUp can be used at home!

Please encourage home use to help your child to make the most of the programme.

1. If you are using a desktop computer or laptop, you can access PowerUp through the web browser by going to www.lexiapowerup.com. Please use Chrome, Safari, Firefox, or Microsoft Edge. Internet Explorer is not supported.

2. If you are using an iPad®, search for Lexia PowerUp in the App Store. Tap the download icon to download PowerUp onto the device.

3. The first time your reader uses PowerUp at home, they will need to enter their teacher's email on the setup screen. They can then log in with the username and password used at school.

Teacher Email (for set up)	sfernandez@st-martins.essex.sch.uk
Student Username	This is their usual 4 digit school login
Password	lexia (all lower case)

4. You can monitor and celebrate your son/daughter's progress in PowerUp via their **Your Progress** tile found on the PowerUp student dashboard.
