

20 November 2020

Dear Parents and Carers

Re: Non-Uniform Day, Friday 27 November 2020

As decided by the Student Council, the next non-uniform day will be supporting two charities, Cystic Fibrosis and Cancer Research and will take place on Friday 27 November.

The Cystic Fibrosis organisation are working towards a brighter future for everyone with cystic fibrosis by funding cutting edge research, driving up standards of care, providing support when it is needed and fighting for access to life saving drugs.

Further details can be found on www.cysticfibrosis.org.uk

The Cancer Research vision is to bring forward the day when all cancers are cured. In the 1970's less than a quarter of people with cancer survived, but over the last forty years, survival has doubled. Their ambition is to accelerate progress and see three-quarters of people surviving the disease within the next twenty years.

Further details can be found on www.cancerresearchuk.org

We will be asking students to pay £1 for the privilege of not wearing uniform on this day and I must stress that this is a voluntary donation. I would be grateful if all monies could be handed to form tutors on Friday 27 November.

Although this is a non-uniform day, we would ask for your support in ensuring that students wear suitable clothing for the school environment.

Thank you for all your help and support.

Yours sincerely
