Dear Parents and Carers

Please be advised that your son or daughter's diagnostic test results are now available to view on the St Martin's website. Click on the report tab, which will then take you to the Insight login where you can then view the report.

The diagnostic report informs you of the result grade and percentage your son or daughter achieved. The grade boundaries for each subject can be found on page 2 in the report.

I hope this report will provide material for discussion between you and your son or daughter, and their classroom teachers.

If you have any queries regarding your son or daughter's progress, please contact his or her Head of Year.

Head of Year 13 – Mrs J Page - [jpage@st-martins.essex.sch.uk](mailto:jpage@st-martins.essex.sch.uk)

Yours sincerely
