Dear Parents and Carers

Re: Virtual Spring Concert 2021

I am delighted to be able to share with you the link to our Virtual Spring Concert. The video will premiere at 6pm on Friday 26 March, after which it will be available to watch indefinitely. Please click below for access, and share far and wide with friends and family to ensure we are able to get the high number of viewers the students deserve:

Back at the beginning of January, we set out on a quest to prove the music never stops at St Martin's, despite the difficult circumstances we were all facing. Many pocket concerts, virtual performances, watch-a-longs and student masterclasses later, I think it is safe to say we have been successful. All of our weekly pocket concerts from the second lockdown are now available to watch on our school website at the following link:

I am once again extremely proud of every student that has taken part in any of our plethora of activities since the beginning of the calendar year. We are extremely lucky to have so much talent at our disposal, and are grateful that the power of technology has enabled us to showcase it to you in the absence of in-person events.

I would like to take this opportunity to wish you and your family an enjoyable and restful Easter break.

Yours sincerely

Mr M Harris
