Dear Parents and Carers

Re: Progress Reports

Please be advised your child's report is now available to view on the St Martin's website. Select Insight reports from the main menu, which will then take you to the Insight login where you can view his or her report.

This progress report informs you of your child's remote attitude to learning grade, as well as since the re-opening of school.

I hope this report will provide material for discussion between you, your child and their classroom teachers.

If you have any queries regarding your child's progress, please contact their Head of Year, either directly or via the Year Administrator.

Year 11 Administrator - Miss J Hunt

Yours sincerely
