

7 September 2018

Dear Parents and Carers

**Re: Extra science support**

It has been brought to my attention that your son or daughter would greatly benefit from attending an extra support session each week in science to help him or her not only achieve but potentially exceed his or her end of year target grade.

These weekly sessions will take place at lunchtime in room N101 starting on Wednesday 3 October from 1.40pm – 2.10pm. Please encourage your son or daughter to bring a packed lunch.

Could you please email me by Thursday 27 September if you do not wish to take advantage of this extra session that is being offered to your son or daughter. If attendance has been confirmed and any sessions are missed, I will contact home to make you aware.

Should you have any questions regarding this extra support, then do not hesitate to contact me - [rsmith@st-martins.essex.sch.uk](mailto:rsmith@st-martins.essex.sch.uk)

Yours sincerely

Miss R Smith  
**Deputy Head of Science**
