Dear Parents and Carers

**Re: Year 11 Extra revision sessions**

I know that Mr Roberts has already written to you and I would like to draw your attention to the key dates of this term and I echo the comments throughout.

I have also enclosed a timetable of extra sessions currently on offer from the different subjects. This will change as the year progresses and therefore amendments will be sent out at the start of each term. Some subjects may not be offering revision at present, but this may change as the year progresses. Similarly, individual teachers may offer specific revision sessions targeted for certain students. The attached timetable is for sessions open to all students. I hope that your son or daughter will take advantage of these and every opportunity on offer to support their final GCSE exams.

As always, please do not hesitate to contact us with any concerns or queries.

Yours sincerely

Mr S Smith  
**Director of KS4**
